

## ABW Group Unveils 'ABW City Centre'

After the landmark success of ABW Aditya Niketan, ABW Group has unveiled ABW City Centre, a shopping-cum-office complex on NH-8, in Manesar, Gurgaon, Haryana.

ABW City Centre will be built inside ABW Aditya Niketan, an upcoming integrated mega township by ABW Group. The Centre is likely to offer around 400-800 sq ft units and comprise an interesting mix of state-of-the-art office complexes and retail outlets. A unique L-shaped design will give retail spread on the ground and first floor while office towers will be located at more than four levels.

The Centre will have features like 24 hrs security, round the clock water supply and power back up for essential services, underground drainage system, and wide roads with sprawling green area.

ABW Group is known for its design, superior quality, and on-time delivery. Today, the Group has gone on to the next level, creating world-class commercial hubs and residential projects, IT Parks and futuristic integrated townships. **RP**
